We imagine a world where we help the vast majority of OEMs, CEMs, and resellers get near-instant access to electronic components.

The gift that we are committed to giving is our unified and energetic world-class talent coupled with our advanced digital assets to achieve our vision.

S U P R E M E ' S V I S I O N

Our vision is grounded by being
OBSESSED ABOUT ADDING VALUE
AT THE SPEED OF THOUGHT
FOR OUR CUSTOMERS AND SUPPLIERS

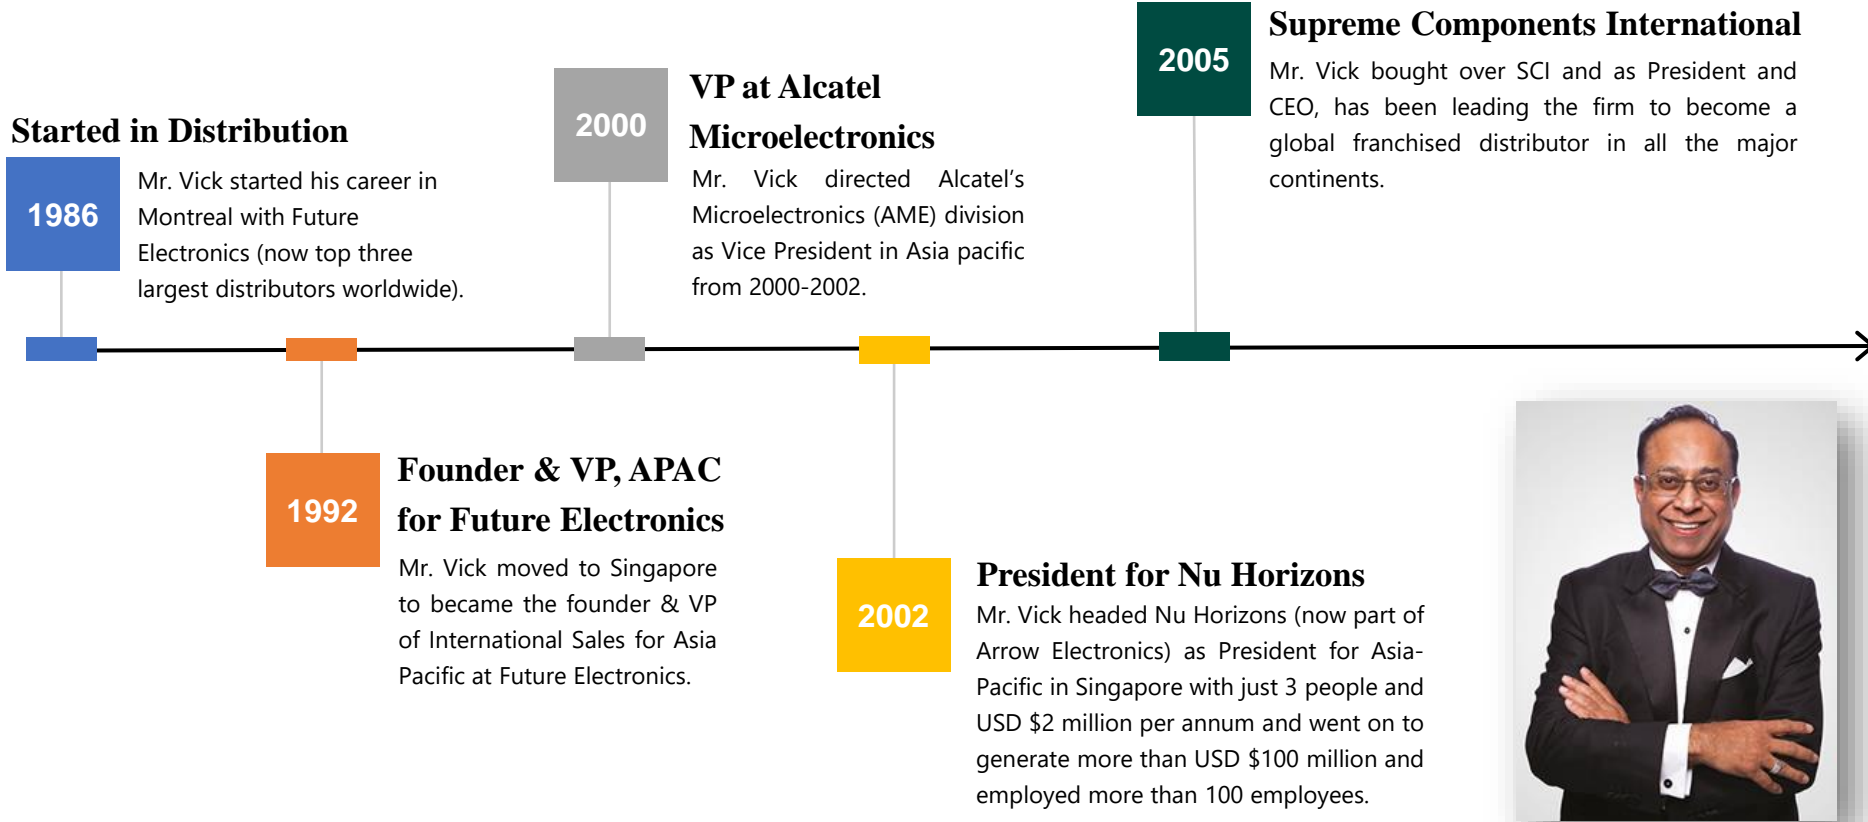

MR. VICK AGGARWALA
President & CEO

MR. PSS SUPPIAH
Sales and Quality Director

MR. PIYUSH AGGARWALA
Sales and Digital Director

MRS. PATRICIA LAL – Director (Finance)

- Between 1994 and 2000, Patricia headed Pacific Components, a Singapore based electronic trading firm as Director.
- Since 2001, Patricia has been managing the entire business operations of SCI as Director. Under her leadership, the Company has consistently improved in both financial and business performance since 2001.
- Mrs. Patricia Lal is one of the pioneer female executives in the electronic components distribution and trading industry in Singapore.

On Nov 25, 2024, Supreme Components was ranked among the top 3 out of 400,000 privately-held SMEs in Singapore.

140+ Franchises

Our partnerships with over 140 trusted brands simplify procurement by consolidating components for seamless solutions.

Advanced Sourcing

We use cutting-edge AI-driven tools coupled with a global supplier network to source components hyper quickly and reliably, even for hard-to-find parts.

BOM Vendor Optimization

We mix and match vendors to optimize pricing, availability, and supplier reliability, quoting up to 95% of your BOM efficiently.

End-to-End Logistics Services

We manage customs clearance, warehousing, and shipping, ensuring smooth and on-time delivery for every order.

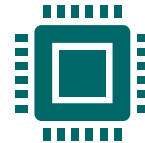

Proactive Procurement & Shipment Agility

Our ability to source parts the same day and ship within days minimizes delays and ensures you get what you need, when you need it.

Flexible Payment Terms

We offer extended credit terms to manage your cash flow and support your business growth.

Sourcing Alternatives

Our advanced tools and expert teams identify pin-to-pin replacements, ensuring compatibility and continuity in your supply chain.

Technical Support

Our product managers and FAEs provide hands-on guidance for component selection, cross-referencing, and ensuring smooth product development.

Procurement-as-a-Service

I can't find the brand. ❌

I can't contact the brand. ❌

We can't buy the brand ☹️ ❌

Let Supreme do the work for you.
That's our job.

HMLV/NPI SOLUTION

EMS' Biggest Challenges:

- **Multiple POs** raised causes organizational headaches in both PO loads and warehouse QC.
- Analyzing 10+ vendors for the lowest BOM cost requires thousands of **painful combinations**.
- Dealing with MOQ/MPQ issues requires you to **buy excess quantity** and wasting money.
- **Re-reeling charges** for cut-tape issues.
- MOV for **free freight isn't often given** for LV deals.
- **MOV isn't met** for low volume deals.

Our Solution:

We give you the lowest BOM cost with the least hassle with full traceability

HOW IT WORKS

1

Send us your complex NPI/BOM/parts list.

2

We'll find **everything** you asked for in under 12 hours.

[#AuthorizedSources Only](#)

3

We'll ship your parts in one week!

[#LetsGetMoving](#)

- We'll scrub/clean the parts.
- We'll recommend alternatives if parts are missing.
- All parts are quoted DAP.

- Our AI tool scans **only** authorized distributors and provides the lowest package price in the market.
- SCI mixes/matches all authorized distributors to meet the required quantities and date codes.
- All parts come re-reeled.
- All parts come with full traceability from the authorized distributor.
- All parts are quoted the same day.

- All parts are quoted DAP and compared against online sources.
- SCI gives guaranteed cost savings of at least 10% per BOM. Check the next page for more information.
- All parts are shipped in 7 working days

NPI COST OUTPUT

Parts are corrected during quote.

Brands are corrected

We show you what you would pay for if you bought from DK/Mouser (or anyone else you buy online from) and the automatic cost savings if you buy from us. As you can see, this client saved 10% by buying from us while ensuring they receive all the parts not found from DK and Mouser.

SCI finds parts that Mouser/DK don't either carry or can't find in stock.

BEHIND THE SCENES

Our automation tool not only captures data from 150 warehouses (from 80 authorized distributors), but also uses Artificial Intelligence (AI) to match the brand, extract the best prices, identifies brand acquisitions, identifies the DC, LT, MOQ, MPQ, and Packaging types for re-reeling.

System captures lowest prices.

Brands are matched against BOM.
